

## **POLISH NEUROSCIENCE SOCIETY**

### **Electoral Committee**

**Dear Colleagues,**

In accordance with the statute and applicable regulations, we are starting the procedure for electing the authorities of the Main Board of the Polish Neuroscience Society for the term of office 2025-2027.

In the first stage, we ask you to submit your candidacies for the President-Elect and a maximum of six members of the Main Board of the Society. Attached is the current Candidate Application Form. Each candidate must obtain the support of at least five active members of the Society and confirm their candidacy with a handwritten or electronic signature on at least one submitted application. Partial applications are possible when not all candidacies or all required votes of support appear on the Candidate Application Form. Please note that members supporting the candidacy must also confirm their support for the candidacy with a handwritten or electronic signature. The validity of the candidacies will be confirmed by the Electoral Committee after receiving all Candidate Application Forms and counting all votes of support. At the same time, we will ask candidates to prepare a short biography according to the attached template.

At the same time, we remind you that only an active member of the Society who has paid the current membership fee by March 30, 2025 can submit a candidate application. Please verify the status of your fees in the Polish Neuroscience Society (PTBUN) database.

Please send your applications by March 30, 2025 to the following address: [election2025@ptbun.org.pl](mailto:election2025@ptbun.org.pl) or by traditional mail to:

Dr Katarzyna Rafa-Zabłocka  
Jerzy Maj Institute of Pharmacology, Polish Academy of Sciences, Krakow  
Department of Brain Biochemistry  
Ul. Smętna 12, 31-343 Krakow

We encourage you to participate actively in the elections to the Main Board of our Society.

On behalf of the Electoral Commission

Prof. UM dr hab. Kinga Gawęł, MBA
